Dear Parents,

Greetings from DPS Pataudi!

We are pleased to inform you that our school has collaborated with Vidyamandir classes, offering a Test Series programme for class 9 Foundation students to enhance their academic performance and exam readiness.

As we begin the Foundation Batch in collaboration with Vidyamandir Classes, we would like to share the academic plan for your ward's progress:

- Regular attendance is mandatory to ensure continuity in learning
- Well-structured notes will be provided by teachers for every topic
- Chapter-wise assignments will be given for practice and concept clarity
- Regular assessments will be conducted to track performance and improvement

Kindly note that nominal fees will be charged for the Vidyamandir Classes.

We look forward to your support in making this initiative successful.

Warm Regards,
