

Delhi Public School, Pataudi

Circular No. DPS/P/14

Date: 23.09.2017

Dear Parents

We, at DPS Pataudi, keep overhauling our processes and procedures periodically. Following the tragic death of a school student in Gurugram, we have taken certain additional steps to further ensure the safety of our students. They are listed below:

1. All visitors, including parents, will park their vehicles outside the school gate.
2. All visitors, including parents, will be frisked at the entrance gate and will be issued a Visitor's Pass.
3. All visitors, including parents, are permitted to only go up to the School Reception.
4. All visitors, including parents, are to carry an ID-Proof.
5. Parents of children in Classes Nursery to V must collect their wards from the bus stop, if not already doing so.
6. Parents are to fill up information and paste photos of persons authorised to pick up their ward immediately, in case not done so already.
7. Parents must not pick up their wards during school working hours. In case it is an emergency, then kindly note that the child will be sent home only with the person authorised to do so. A proper application with id proof is to be submitted in school.

You are aware that our buses are already equipped with CCTV, GPRS and speed governors. A lady guard is in the bus from the first to the last stop every day. We are working on making the environment more secure and will keep you posted on further developments. Your cooperation is solicited in helping us to focus on our primary purpose: that of imparting education in a safe, non-threatening atmosphere.

Best wishes

Principal
