

## **MISSION**

**Mission** - The school is committed to provide a 360 degree, comprehensive curriculum to aid the all round development of each student. Our endeavour is that students evolve into physically fit, mentally resilient, morally upright and spiritually strong beings who will play a key role in nation building.

Focus of the School is to create a warm, loving, secure environment that fosters creativity, curiosity, self-confidence and independence so that students may become models of peace and can succeed in an evolving world.
