NEWSLETTER

APRIL 2023 TO JUNE 2023

FROM THE DESK OF THE PRINCIPAL

Dear Parents

Welcome to session 2023-24!!

It gives me immense pleasure to roll out yet another newsletter featuring the quarter April to June 2023. Working relentlessly towards the vision of providing holistic education to all our students, the first three months of this session witnessed an effective amalgamation of scholastic and co-scholastic activities ranging from class assemblies to special assemblies, and class activities to Inter House competitions. There was a very strong emphasis on academics through innovative teaching-learning methodologies and weekly assessments along with extra classes for IX to XII in the end of May-beginning of June. In accordance with the compulsory 50 hours of Continuous Professional Development as mandated by NEP 2020, the faculty underwent 10 days of in-service training on effective pedagogy. All in all, it was a great start to the session and the following pages of this newsletter will give you some glimpses of the same.

Happy Reading!!

Warm Regards

SPECIAL ASSEMBLIES

Baisakhi

The special assembly for Baisakhi was a vibrant affair, filled with music, dance, and traditional attire. Students presented the assembly dressed in colourful Punjabi suits and turbans, while the beats of the Dhol added to the festive atmosphere. It was a time to thank the Almighty for the bountiful harvest and commemorate the beginning of a new year as per the Hindu calendar.

Buddha Purnima

On the auspicious occasion of Buddha Purnima, students came together to celebrate the birth of Lord Buddha. In this special assembly, students reflected on the teachings of Buddha and understood their relevance in our lives today. The performances of our students was a testament to their talent, dedication, and commitment.

INTER-HOUSE COMPETITIONS

Inter-House Debate Competition

Inter - House Debate is a very effective way of enhancing public speaking and critical thinking skills. While students of classes VI-VII debated on whether tourism was good for the environment or not, the students of class VIII - IX debated on "conservation and development cannot go hand in hand." Both debatable issues had all contestants voicing out their opinions strongly and answering questions posed by the audience. Inspirators emerged the winners of both categories of the debate competition.

Inter-House English Poem Recitation Competition

An Inter - House English Poem Recitation Competition was organized for students of classes VIII and IX. The theme of the competition was centred around the concept of a mother's love and sacrifice. The Harbingers secured the 1st position, while the Inspirator and Galvanisers were awarded the 2nd and 3rd positions respectively. Chetna of class VIII was selected as the Best Speaker.

Inter-House Football Competition.

DPS Pataudi organised Inter-House Football matches on 13 April and 15 April 2023. In the knockout matches, Harbingers defeated Galvanisers and Inspirators defeated Propellers. Harbingers and Inspirators played against each other on 15 April for the final. Propellers and Galvanisers also played for the third position. It was a fun filled day of sport and all the houses cheered for the players. Harbingers emerged as the overall winner of the Inter House Football Competition.

Inter-House Poster Making Competition

To bring out the creative expression of the students and also to gauge their awareness quotient, DPS Pataudi organized an Inter-House Poster Making Competition for classes I-V. Our talented students unleashed their creativity and showcased their artistic skills. The themes of the competition were "Seasons" and "Pollution". It was a great opportunity to watch these young minds create and display their ideas on paper. Certificates were awarded to the winners of all classes.

Celebration of World Environment Day

On 5 June 2023, our passionate students of classes IX to XII took part in a remarkable initiative: they planted trees and nurtured nature! With shovels in hand and determination in their hearts, they embarked on a mission to create a greener future for all. By planting seeds and saplings along the periphery of the school, these young environmental warriors not only beautified their surroundings but also contributed to a healthier ecosystem.

Parent-Teacher Partnership

Rooted in the belief that Education is a collaborative effort between the school, the students, and parents; Parent Orientations and Parent Teacher Meetings form an important part of the school calendar. Orientation to the new session was conducted in beginning of April. A PTM for discussion of students' progress was held for the whole school on 27 May 2023.

TEACHERS' WORKSHOPS

Working towards the Continuous Professional Development of its teachers, DPS Pataudi organized a series of workshops for the faculty members during the 10 days in-service training from the end of May to the beginning of June 2023. The workshops covered diverse topics like Early Childhood Education, Innovative Pedagogies in the teaching of different subjects and Development of Computer and Information Technology Skills. These interactive workshops witnessed an active and enthusiastic exchange of teaching ideas and innovation and proved to be a great learning experience for all.
