**Circular No: DPSP/2026-27/014**

**Date: 24.04.2026**

**Subject: School Uniform Guidelines & Compliance**

Dear Parents,

Warm greetings!

Maintaining proper school uniform is an essential part of discipline and school culture. All students are expected to come to school in complete and proper school uniform on regular days, and in house uniform on **Monday and Thursday**.

In case the uniform is not available in the shop or the required size is unavailable, you are requested to send an email to the School Administration ([admin@dpspataudi.com](mailto:admin@dpspataudi.com)), or send a written application along with your ward. This will help us address the concern at the earliest.

You are also requested to ensure and monitor that your ward comes to school in neat, complete, and proper uniform every day.

**Uniform Guidelines:**

- Students must come in complete and proper uniform every day.
- No casual or sports shoes are allowed.
- School ID card is compulsory.
- Hair should be neat and properly groomed (no fancy hairstyles).
- Only black or green hair bands are permitted.
- No accessories such as bangles, fancy clips, chains & electronic gadgets are allowed.
- Nails should be clean and trimmed. Nail polish is strictly not allowed.

**Important Information:**

From Monday, 27th April 2026 onwards, the school will begin regular uniform checks.

In case of non-compliance:

- Parents may be requested to visit the school.
- The student may be sent home for the day.

This step is being taken to maintain consistency, discipline, and overall decorum of the school.

Your cooperation is highly appreciated, as it helps us maintain discipline, uniformity, and a positive school environment.

We look forward to your continued support.

Regards
